

# #EaglesReadTogether

## December Challenge

### What is the December Challenge?

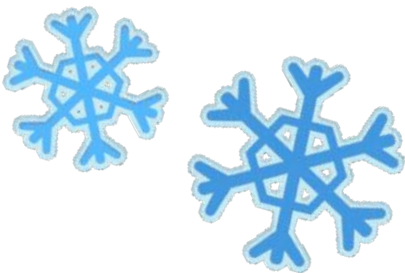

Let's give this December by reading TOGETHER! From December 5th to the 19th Veterans Memorial will be holding their first ever Read-A-Thon. This Read-A-Thon will allow us to build our reading muscles while also being a fundraiser for a great cause. TOGETHER our students will read to earn money for [Tails of Valor](#) Service Dogs. We will use the website [99pledges.com](#) to collect and track our **pledges/donations** and **minutes read**. Donations are NOT required. We will also use this site for each student to track their minutes read or being read to.

You will receive an email with **TWO** links.

1. The first link is to your child's personal online pledge page. You do not need to log in or change anything. You can share this link with friends and family by email, Facebook, and Twitter to receive donations.
2. The second link is your child's profile management page where they can track their minutes read (or being read to) and add a profile picture.

### What is the December Incentive?

As if raising money for Tails of Valor is not enough... we will also reward the 5 students with the top minutes tracked and the 5 students with the top donations/pledges with the chance to meet and read with service dogs! In addition, anyone who participates will also be entered in a raffle to meet and read with the service dogs as well!

Have **FUN** reading **TOGETHER!**
