

## August Newsletter

Along with my Health Room Aide, Mrs. Trish Morren, I would like to welcome everyone to the 2020-2021 school year here at Veterans Memorial! It's often hard to say good-bye to the relaxing days of summer and move forward into a new school year. Now especially, this unprecedented time will make school a new experience for all of us. Still, I know if we work together we can make it another successful year.

Moving forward, I will be sending informative messages on a regular basis. These messages will allow us to inform and guide you through many health-related aspects of school. Please take the time to look them over and if you have any questions or concerns, either now or anytime during the year, please do not hesitate to contact me by phone (610-351-5910) or email ([smithj4@parklandsd.org](mailto:smithj4@parklandsd.org)). Working as a team is important, now more than ever.

For now, however, please become familiar with the general back to school guidelines sent out by the district.

I look forward to working with you to keep all your children safe and healthy. It's going to be a great year!

Healthfully,

*Joanne Smith*  
*School Nurse*
