February Challenge

What is the February Challenge?

Lets spread some love for books this February! We challenge you to read 14 books/chapters! Pick the one chapter or book you LOVE the most, then write a love note to that chapter/book on the template attached. Be ready to **SHARE** your note with your classmates. If we have your book in our Veterans Memorial Library your note may be placed in the book to **SHARE** with all our Eagles. Love notes are due Friday, February 24th.

What is the February Incentive?

What's sweeter than a sundae? Putting a sundae on your teacher's HEAD! Students who participate this month will be in a drawing to be able to dump some sundae ingredients on some special teachers' heads!

Have **FUN** reading **TOGETHER!**
